

BIKE-N-SHOOT

Test your skills at mountain bike riding and pistol shooting skills,
Saturday September 15, 2007 at 12:00 noon
(tentative, check www.bikenshoot.com for updates)

This timed competition will involve 3 laps on a mountain bicycle,
of approximately 2.5 miles each, on rolling prairie terrain.
Each lap to be followed by five shots from a pistol at steel targets
approximately 6" diameter from a distance of 20 yards.

Each miss will accrue a short penalty lap.

Men's, advanced/novice, and Women's classes - depending on attendance.
Entry fee for contestants is \$10, Spectators are \$5/carload.

Notes:

- Very little in the way of facilities is available. Bring water. Dress appropriately for the weather.
- Any pistol may be used, as long as it fires PISTOL caliber ammunition, and is equipped with only open sights.
- After shooting, your support crew – if any – is permitted to reload for you.
- Pistols may be carried during the riding phase, or left in the shooting area. Carried guns must be unloaded.
- Eye and ear protection required while shooting. Helmet required while riding.
- All shots will be fired from a standing position.
- The prairie contains cactus and goatheads. It is NOT smooth. Prepare accordingly.

W.H.A.C. range is approximately 9 miles east of I-76

I-76 to Bromley Lane (exit 22). 8 1/2 miles east to Imboden Road.

1/2 mile south on Imboden to 144th. 1/2 mile east on 144th to gate on south side of road.

Entries accepted up to the start of the event. Awards for the winners, men's and women's classes.
